

## Information Security Policy of "AVENCOM" LLP

Current Information Security Policy (hereinafter - the IS Policy) is developed in accordance with the requirements of the ST RK ISO / IEC 27001-2015 "Information technology - Security techniques - Information security management systems - Requirements".

Existing information security policy stipulates the efforts required for the protection of information assets from accidental or willful modification, disclosure or destruction, and for confidentiality, integrity and accessibility of "AVENCOM" LLP information as well.

This policy sets the overall goals and objectives of "AVENCOM" LLP in information security and information risk management areas. It is approved by the management of "AVENCOM" LLP and is mandatory for all employees.

The main objective of IS policy is assurance of information protection at all stages of "AVENCOM" LLP activities.

The security policy is applicable to all assets (components) of the information system of "AVENCOM" LLP. Within the framework of the ISMS, the owner is defined for all the main information assets. The owner is responsible for the safety of this information. The owner must know all the people with access to his/her information. The owner must ensure and maintain the required level of confidentiality of the data.

"AVENCOM" LLP sections heads must supervise the adherence to IS Policy with regular ISMS audits and consequent reports with findings to upper management.

"AVENCOM" LLP management provides all the necessary resources for deployment of current Policy and overall accountable for IS Policy execution.

"AVENCOM" LLP sections heads are responsible for IS Policy requirements fulfillment by their subordinates. All employees of "AVENCOM" LLP carry the personal responsibility for non-compliance and violation of information security requirements.

AVENCOM Information Security Policy is published on the AVENCOM website, displayed in Company offices, available in the Intranet and is intended for all employees

Director of "AVENCOM" LLP
